

Regarding Precautionary Measures for COVID-19 Changes in Hours of Operation at Dining Facilities

While this current crisis is ongoing, we would like to reassure our guests from around the world that their safety and wellbeing and that of our officials remains our highest priority. In order to minimize risks associated with the new coronavirus, we do ask for your cooperation as follows:

- (1) Applying the antiseptic placed at various locations throughout the hotel including the restrooms;
- (2) Notify your nearest hotel official if you are not feeling well; and
- (3) Kindly note that we encourage several hotel officials to wear masks while in the service.

Also, please note that hours of operation may change at some establishments and may be temporarily suspended as the table below shows.

Thank you for your understanding and cooperation.
